Things! continues....

Children four years and older may sign up at the front desk or in the children's room and pick up their "Wild Things!" Summer Reading Club Booklet. It's a great way to encourage reading during the summer months.

Don't miss out on this popular event - the best of our duplicates and books bidding farewell to the stacks. Most books are in good condition at an unbeatable price - one euro for paperbacks, two euros for hardbacks. Proceeds from these sales permit us to buy more new books for our permanent collection.

For the best selection, come early beginning at 10h00 and continuing until closing time. And remember to browse our permanent sale shelves, as new items are added daily.

Upcoming Programs and Events

Evenings with an Author has wrapped up for the summer, but plans are underway for the fall. Our upcoming roster of speakers includes novelists David Lodge, Diane Johnson, Preeti Samarasan, and Jerome Charyn, poet C.K. Williams, and journalists Don Morrison and Alan Cowell.

Beginning this fall, discover the *Talk about Art* series as well as a number of other new programs as part of our community partnership initiative - @The Library. In addition to the programs, *Art on View* exhibitons and vernissages continue. Some are linked to a *Talk about Art* presentation, others look back into the history of the library, while others explore the connections between art and the written word.

Look for more information in the next e-Libris on 26 August.
