17 February 2009

e-Libris

This bi-monthly electronic newsletter highlights upcoming events, exhibitions and programs, and introduces you to our resources, services, and the people making a difference on the Library's behalf.

Going Green: Less Paper, Less Printing

 A reminder: Beginning with the March 2009 issue of Ex Libris, the Library will be making its quarterly newsletter available (1) at the Library for anyone who wants a printed copy, (2) on line through the website, where you may download it to your printer, and (3) mailed to your home address if you so request.

If you wish to be on the free (to members) Ex Libris mailing list, please complete a request form available at the Library or download it [from our website](#) and return by mail.
