

## Sundays!

## Celebrating Women's History Month and *Le Printemps des Poètes* in March

The history of women often seems to be written with invisible ink. Even when recognized in their own times, women are often not included in the history books.

Discover the story of the **All-American Girls Baseball League** in our current exhibit [Swoosh! Crack! Roar!](#). On Saturday 20 March join our members-only [Paris Was a Woman walking tour](#) through the Left Bank and explore the lives and haunts of some astounding 20th century women.

Also, on Thursday 18 March, the Paris-based literary journal *Upstairs at Duroc* will celebrate an [evening of poetry](#) in honor of France's Poetry Month, *Le Printemps des Poètes*, around this year's theme, *Couleur Femme*. Join us at the Library as we celebrate the work and achievements of *la gente féminine*.
