Evening Programs in June & July

Before you head off for the summer holidays, join us at the Library for a great line-up of evening programs this month through Wednesday 7 July.

Subjects we'll explore during upcoming Evenings with an Author range from Vichy France, the letters of Sylvia Beach, a death in Bordeaux, the art of writing for the silver screen, and the *sacrées vacances*. Three authors discuss getting your work seen as part of the Writers on Writing series, a jazz ensemble explores the language of Jazz and the Paris Writers Workshop presents a panel discussion on writing a biography and memoir. Visit our [online events and programs](#) page for details.
